How did you hear about us?	
----------------------------	--

Welcoming an animal into your home is a huge commitment. The dog you are adopting is a Rescue Dog that was born in the Dominican Republic. Every effort is made to insure the health of the animal including the required vaccinations and spay neuter if age allows. In most cases the father is unknown, as well, the dog may have been an orphan or found alone with no known history. Every effort is made to accurately describe the dog and expected size/breed and known health information however no guarantee is represented. If the dog you are adopting has not been spay/neutered, you agree to have the surgery performed at the appropriate age, under advisement of a veterernarian and at your own expense. At no time will LMM be responsible for medical expenses unless written authorization for care is approved in advance and done at our Vet of choice.
